IMPACT FIGURE - ROTARY YEAR 2024/25
(JUL 2024 - JUN 2025)

The Rotaract Club of Hong Kong Financial Centre (RACHKFC) is a dynamic local non-profit organization dedicated to fostering leadership, community service, and professional development among young adults since 2016. Sponsored by the Rotary Club of Hong Kong Financial Centre, RACHKFC has officially transformed as a registered charity since February 2025 under taxation S88.

Message from President, Term 2025-2026

Building Bridges, Empowering Success

My journey with the Rotaract Club of Hong Kong Financial Centre (RACHKFC) has been a deeply personal one. Reflecting on my time as Promotion & Publication Director in 2024–2025, I realized that our club's greatest strength lies in its potential to connect. Stepping into the Presidency for this term, I felt a profound responsibility not just to lead, but to serve as a bridge: rebuilding our image and strengthening the bonds between our members, our fellow Rotaract clubs, and our dedicated Rotary sponsors in District 3450.

This year's milestones are not mine alone; they belong to a remarkably strong team. I am heartened every day by the dedication of my executive committees and members. Their energy in planning and executing our vision has been the foundation of everything we have achieved together.

The beginning of my term was marked by a moment of immense encouragement: receiving the Rotary Volunteer Award (Bronze). This recognition was a humbling reminder of why we serve, and it provided the personal motivation I needed to push our club toward new horizons. Furthermore, having the honor to attend the Rotary International Past President Holger Knaack Dinner was a transformative experience. Representing RACHKFC at such a prestigious gathering allowed me to share our heart, our goals, and our vision with the global Rotary family, reinforcing that our small club has a meaningful voice.

With this momentum, we set out to reconnect. After a period of quiet, we achieved a true breakthrough in fellowship. Through our Pickleball Fun Day and Bowling Fun Day—organized alongside RAC Happy Valley, RAC Shining Stars Avenue, and RAC New Territories—we moved beyond our own borders to rediscover the joy of collaboration. We also looked toward sustainable service, partnering with the social enterprise WaysOutHK for a food-waste bracelet workshop, proving that innovation and empathy go hand-in-hand.

At our core, we believe in empowering others. Through our "Empowerment Series," we shared our professional skills via Public Speaking and Confidence-Boosting workshops for Juniorators, as well as a Leadership Camp for Interactors. There is no greater reward than seeing these young leaders find their own voices.

As I look toward the horizon, my aspiration is for RACHKFC to remain more than just a club; I want it to be a platform. A platform that connects diverse organizations across our society, providing them with the spotlight they need to shine. To our sponsors and partners: thank you for walking this bridge with us. Together, we are creating a legacy of service that resonates far beyond the financial centre.

NATALIE NG

*President, Term 2025-2026
Rotaract Club of Hong Kong Financial Centre*

Message from Past President, Term 2024-2025

As the President of RACHKFC 2024-2025, I am very proud to experience what RACHKFC is transforming, from an interest group for volunteering among the working professionals to a registered charity empowering the youth by working professionals and university students with growth mindsets, since my first year joining the club in Rotary year 2021-2022.

As a professional registered charity in Hong Kong, the Club is responsible to ensure everyone involved in the Club is compliant to the transparent governance, accountable reporting, and effective management, as required by the local regulations.

As a vibrant international financial centre, Hong Kong is a dynamic centre for philanthropy in the world. The requirements for human rights, vulnerable dignity, and just allocation in social capital are strengthened to create the best social impacts with lowest administration costs

Moreover, the ecosystem of philanthropy in APAC is evolving with the rise of impact investments in Asia. Private philanthropists and corporate foundations are seeking the social services with advanced sustainable impacts with entrepreneurship, or even the financial investments with better impacts.

There are more stringent requirements towards the governance and supervision of the Non-profit organisations. As a result, the design and implementation of social services are moving towards professionalisation. Corporate governance should be adopted and practised in RACHKFC to meet the public expectation of professionalisation.

Under the Rotary ethical decision model of The Four-Way Test and motto of 'Service above Self', RACHKFC empowers youth by setting up a philanthropic ecosystem by designing and executing impactful volunteering services with entrepreneurship, a growing platform bridging communities in Hong Kong and the world between government in different regions, donors, beneficiaries, incubators, and academia.

By engaging RACHKFC, the youth are empowered to empower others as the future leaders developing their entrepreneurship, professional career, life-changing network with empathy and growth. With their socio-economic status empowered, the youth from RACHKFC can become future leaders to sustain the impact and legacy of the Club, to empower Hong Kong, and build up capacity to become Rotarian in the future.

Therefore, to nurture our future youth philanthropic leaders for Hong Kong and Rotary, Rotaractors in RACHKFC are required to learn and practice professional governance and impact entrepreneurship to deliver impactful services and develop sustainable transformation of RACHKFC.

Are we ready to become Rotarians in the future, in terms of the philanthropic and growth mindset supported by the socio-economic status empowered as in the Rotaractor time?

- President of Sponsor Club: Basil Kwan, Associate Director, UBS AG.

Our Ethical Governance – Rotary Four-Way Test

Under the Rotary family, RACHKFC upholds Rotary's ethical model, the **Four-Way Test** (adopted in 1943).

1. *Is it the TRUTH?*
2. *Is it FAIR to all concerned?*
3. *Will it build GOODWILL and BETTER FRIENDSHIPS?*
4. *Will it be BENEFICIAL to all concerned?*

All major decisions in RACHKFC are guided by this test.

Event #18

District Rotary Blind Bowling Tournament

Date: 8th February, 2026 (Sunday)

Location: South China Athletic Association Bowling Centre, Causeway Bay, Hong Kong

Participants: 2 members from RACHKFC, 2 members from ELCHK Lutheran Secondary School

Objectives

To boost self-confidence among visually impaired individuals through inclusive sports participation and raise public awareness of their capabilities.

Summary

Invited by our mother club, Rotary Club of Hong Kong Financial Centre, our team of 2 RACHKFC members and 2 members from ELCHK Lutheran Secondary School competed in the 15th District Rotary Blind Bowling Tournament. The event paired sighted participants with visually impaired bowlers to promote equality, teamwork, and mutual understanding through adaptive sports.

Outcomes

- Secured 2nd place in our category, demonstrating strong team coordination and competitive spirit.
- Enhanced inclusion by enabling visually impaired participants to excel in sports alongside sighted teammates.
- Increased awareness of adaptive sports capabilities while fostering empathy and cross-group collaboration.

Event #19

Catch-up with Rotaract District 1650 DRR Hugo

Date: 9th February, 2026 (Monday)

Participants: 5 members from RACHKFC

Objectives

To welcome the District Rotaract Representative from France, facilitate cultural exchange, and explore potential international collaborations.

Summary

Our 5 excom members hosted Rotaract District 1650 DRR Hugo during his Hong Kong visit, showcasing the city and enjoying a dinner focused on cultural exchange between Hong Kong and French Rotaractors. The casual catch-up built immediate rapport and opened discussions about cross-district service opportunities.

Outcomes

- Established personal connection with international Rotaract leadership through city tour and dinner bonding.
- Explored collaboration potential for future joint events when DRR Hugo returns to Hong Kong.
- Enhanced our club's global Rotaract network, laying groundwork for international service projects.

Event #20

Joint-Club Bowling Fun Day

Date: 28th February, 2026 (Saturday)

Participants: 20 members from multiple clubs

Objectives

To promote inter-club bonding and strengthen relationships across Rotaract clubs through accessible recreational competition—our club's first co-organization with major HK Rotaract clubs including RAC New Territories.

Summary

Co-organized with RAC New Territories, RAC Happy Valley, and RAC Shining Star Avenue HK, our club hosted a bowling match welcoming beginners and experienced players alike. The event created vibrant team interaction, laughter, and fellowship among 20 Rotaractors from multiple clubs.

Outcomes

- Fostered strong inter-club friendships through shared sports and enthusiastic participation across all skill levels.
- **Marked our club's first major co-organization with leading HK Rotaract clubs, building collaboration capacity.**
- Established bowling as a successful model for future joint recreational events strengthening the Rotaract network.

Event #21

Rotary Ultramarathon 2026 cum End Polio Walk

Date: 1st March, 2026 (Sunday)

Location: Tseung Kwan O, Hong Kong

Participants: Club members

Objectives

To actively support polio eradication through race participation while promoting health, endurance, and Rotary Foundation fundraising.

Summary

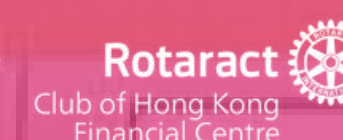

Supporting our mother club's Bronze and Tier 1 sponsorship, RACHKFC fielded 9 members across the Rotary Hong Kong Ultramarathon cum End Polio Walk. 9 members completed the 3km End Polio Walk while 3 members ran the 5km distance, contributing to global polio elimination efforts through active participation.

Outcomes

- 9 members demonstrated commitment to End Polio Now through physical challenge and community presence.
- Advanced Rotary Foundation fundraising goals via mother club's sponsorship and our team's participation.
- Promoted wellness and service spirit, uniting club members in support of polio eradication worldwide.
